BELLINI WILLIAMS ISLAND HOSTS THE GREATER MIAMI JEWISH FEDERATION WOMEN'S PHILANTHROPY FOR INSPIRING SEMINAR FEATURING ESTEEMED LIFE COACH IANNA RAIM

(DECEMBER XX, 2014 – AVENTURA, FLA.) – On the morning of December 10th, Bellini Williams Island welcomed 50 guests from the Miami Jewish Federation Women's Philanthropy North Dade Area Division to its penthouse model residence for an inspiring and motivational seminar featuring Certified Professional Life Coach Ianna Raim.

Raim works to help individuals and small business owners re-energize their careers so that they find more meaning and get better results at work and at home. That morning event, *Loving Life – or Just Living It?* focused on easy ways to add more meaning to one's life. With her unique and proven energy leadership coaching system, she empowers clients to think differently about their environment, their peers, their employees and themselves. By supporting them to challenge the status quo and the behaviors that may be working against them, Ianna helps people and organizations make transformational change.

After the seminar, guests enjoyed breakfast as they made their way through the sprawling four-bedroom, six-bath penthouse boasting 12-foot ceilings and floor-to-ceiling glass windows in every room. The panoramic views overlooking the Atlantic Ocean, Intracoastal Waterways and Downtown Miami enhanced the already beautiful setting.

Now that Bellini is complete and many residents have moved in, Bellini Williams Island has introduced the boutique condominium's last group of inventory to the market. Several Artefacto-designed model residences are available for preview. Each features crisp, modern styling and is fully furnished, finished and accessorized. All of the remaining residences for sale come with the option of a turnkey designer package by Artefacto. Bellini residences include top-of-the-line kitchen and baths by Poggenpohl and Miele, and wraparound glass balconies. For more information, call 305.466.6808 or visit www.belliniwilliamsisland.com.
